## Experience

ProMetrics, Inc. 2013 - present

- Corporate website design and development
- Corporate graphic identity redesign
- Worked with marketing team to create promotional materials

Shiny Silver Box LLC 2015 - present

- iOS + Pebble app development using iBeacon
- Worked with local historical society to catalog a historical cemetery. Created SQL database of records and a Google Earth-like interactive map including a massive composite aerial photo
- Made promotional video for the creators of the Mosaic.io app, shown at the 2013 Apple Design Awards at WWDC
- Created several websites, logos, and business cards for local businesses
- Perfect Pitch Piano Tuning: View services, pricing, and schedule an appointment through the interactive calendar.
- Finyl Vinyl: Convert your analog media to any digital format. Pricing, services, and interactive scheduling calendar available.

Tim Kautsky's Auto Detailing Spa 2011 - 2013

- Started own car detailing business in May 2011
- Personally serviced over 60 cars, receiving overwhelmingly positive feedback from customers
- Designed and distributed advertising and marketing materials
- Managed supplies, scheduling, and many unique detailing challenges

iOS app development 2012 - 2013

- Worked with two other programmers to develop Coffee Card, a production-ready app for managing rewards cards at local coffee shops
- Independently developed several proof-of-concept apps to improve programming skill
